Hazmasters Opens New Branch in Mississauga, Ontario

MISSISSAUGA, ONTARIO – September 14, 2017: Hazmasters is proud to announce the opening of their newest branch in Mississauga, Ontario, located at 6170 Belgrave Road in the WESCO Distribution Center.

This new branch and showroom are nestled in a state-of-the-art 250,000 square foot facility that houses Hazmasters, along with their parent company WESCO and TVC, a division of WESCO. The Mississauga branch offers a full selection of safety products and services, spanning a broad array of categories that includes personal protective equipment, environmental safety, signage, gas detection and monitoring, traffic safety and fall protection. In addition, Hazmasters Mississauga carries an unparalleled selection of spill control, property restoration and abatement products, and offers its proprietary HazmastersID equipment inspection and recertification services.

“The addition of the Mississauga branch broadens Hazmasters’ national footprint and dramatically enhances our ability to service customers in the west GTA,” noted Roger James, Hazmasters’ Director and General Manager. He emphasized, “Our unwavering focus on creating safer work environments helps our customers to reduce risk, maintain compliance and, most importantly, ensure that their employees go home safely to their families at the end of every workday.”

Matt Nichols, Ontario Sales Manager for Hazmasters added, “This exciting expansion will provide greater support for Hazmasters’ existing customers in the surrounding area, as well as support the workplace safety requirements of one of the largest manufacturing sectors in Ontario. We are always looking for ways to improve our service to our customers, so adding a physical location in Mississauga is a key way we can continue to partner with our customers in the area.”

“We invite you to stop in to browse our showroom or give us a call to connect with one of our knowledgeable safety specialists for an on-site visit,” said Darla Zimmerman, Business Development. “Our commitment to our customers is to bring the expertise and knowledge needed to help you create safer work environments, to ensure you have the right safety solutions for your unique environments, and build an educated workforce with employees who are properly trained.”

The Hazmasters Mississauga team is looking forward to welcoming you to their new location!
