Hazmasters is proud to be a Canadian Red Cross Training Partner!

The Canadian Red Cross Standard First Aid & CPR Training Course is a comprehensive two-day class offering first aid and cardiopulmonary resuscitation (CPR) skills for those who need training due to work requirements or who want more knowledge to respond to emergencies at home. This course meets legislation requirements for provincial/territorial worker safety and insurance boards and includes the latest first aid and CPR guidelines. This course is a requirement for workplaces with five or more workers on any one shift.

Standard First Aid & CPR Training is available in open enrollment format, or as a private class, either at our fully-equipped facility or on your site.
