

ODOR KLENZ®

Odor Eliminating Liquid Absorbent

Using OdorKlenz® Technology with Clumping Action for Easy Clean-up!

OdorKlenz, using revolutionary technology, soaks up odor-causing liquids and eliminates associated odors. Combined with active clumping, OdorKlenz makes messy jobs quick and easy to clean-up.

OdorKlenz is simply applied to affected carpet or flooring, swept up and can be disposed of according to applicable facility and regulatory policies.

OdorKlenz is made of earth friendly material and does not contain fragrances or masking agents.

Highlights

Jobs

Eliminate unsightly messes and odors on difficult jobs like trauma.

Time

Eliminate odors fast for better working conditions. Use with OdorKlenz-Air for tough airborne odors.
