

Sustainable Solutions for Health, Productivity and the Environment.

# Product Guide

From floor to ceiling, Rochester Midland has products and programs for complete facility maintenance in commercial and industrial environments. Inside this guide you will find a unique set of product offerings for restroom care, housekeeping, floor care, food service and industrial cleaning that allow you to collaborate with one partner for all of these needs.

In addition to single source supply, you are aligning with a leader in sustainable products and programs focused on the triple bottom line – people, planet, and profit.

### 3rd Party Approved Key

EcoLogo<sup>®</sup> is North America's largest, most respected environmental standard and certification mark. EcoLogo provides customers – public, corporate and consumer – with assurance that the products and services bearing the logo meet stringent standards of environmental leadership. [EcoLogo.org](http://EcoLogo.org)

GREENGUARD Certification ensures that a product has met some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compounds (VOCs) into indoor air. [EcoLogo.org](http://EcoLogo.org)

Under the Federal Procurement Preference Program, USDA designates categories of biobased products. Federal agencies and their contractors are then required to give preferential consideration to these designated product categories when making purchases. [biopreferred.gov](http://biopreferred.gov)

Green Seal<sup>™</sup> develops life cycle-based sustainability standards for products, services and companies and offer third-party certification for those that meet the criteria in the standard. Green Seal has been actively identifying and promoting sustainability in the marketplace, and helping organizations be greener in a real and effective way since 1989. # Dispensing Made Easy

Connect quick disconnect and hose for fast, mobile usage anywhere water is available.

Simply depress handle to dispense solution.

Closed package, safe system.

**Reusable:**  
NO dispenser disposal after each bottle use.

Locking switch for continual fill of mop buckets or autoscrubbers.

Easily slides to activate spray bottle (1 gpm) or mop bucket/ autoscrubber fill (3.5 gpm). Icon based.

Easily screws onto any EZ-Mix bottle for quick use.

New insert and tips in every bottle.

## Sustainable

- **Portable:** Off the wall dispensing that can be used anywhere a water supply is available.
- **Easy to Use:** Screw dispenser onto EZ-Mix bottles, connect water supply, slide knob for bottle or bucket fill, and press down handle.

**Sustainable:** A compact, portion controlled, closed package/safe system, with green certified product selection and training.

**Reusable:** NO dispenser disposal after each bottle use.

**Consistency:** Color and number coded bottles, trilingual GHS compliant labels.

## Floor Care
