# Benefect Quantum Chemical Residue Remover Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012 WHMIS 2015 Date of issue: 03/20/2018 Revision date: 04/23/2020 Version: 1.1

OFOT		-1			
	ION 1: Identification of the subs	stance/	mixture and of the company	undertaking	
1.1.	Product identifier	: Benet	fect Quantum Chemical Residue Remo	over	
Product		: 40475	5		
Product	code				
1.2.	Relevant identified uses of the subst	ance or	mixture and uses advised against		
Use of t	he substance/mixture	: Clear	ner		
1.3.	Details of the supplier of the safety of	lata shee	et		
Benefe	•				
-	∕ Street North n, Ontario, Canada L8L1H1				
	528-7474				
1.4.	Emergency telephone number				
	ency number-ChemTel	:(800) 2	255-3924		
•	ional- ChemTel	```	48-0585		
SECT	ION 2: Hazards identification				
2.1.	Classification of the substance or m	ixture			
GHS-U	S classification				
Not clas	ssified.				
2.2.	Label elements				
	S labelling				
	lling applicable.				
2.3.	Other hazards				
	tional information available.				
2.4.	Unknown acute toxicity (GHS-US)				
Not app	licable.				
	licable. ION 3: Composition/informatio	n on in	gredients

Safety Data Sheet according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012 WHMIS 2015

4.3. Indication of any immediate medical attention and special treatment needed

Symptoms may not appear immediately. In case of accident or if you feel unwell, seek medical advice immediately (show the label or SDS where possible).

<b>SECTION 5: Firefighting</b>	measures
5.1. Extinguishing media	
Suitable extinguishing media	Troot for surrounding material
<b>o o</b>	: Treat for surrounding material.
Unsuitable extinguishing media	: None known.
	ng from the substance or mixture
Fire hazard	: Products of combustion may include, and are not limited to: oxides of carbon.
5.3. Advice for firefighter	S
Protection during firefighting	: Keep upwind of fire. Wear full fire fighting turn-out gear (full Bunker gear) and respiratory protection (SCBA).
<b>SECTION 6: Accidental r</b>	release measures
6.1. Personal precautions	s, protective equipment and emergency procedures
General measures	: Use personal protection recommended in Section 8. Isolate the hazard area and deny entry to unnecessary personnel.
6.2. Methods and materia	I for containment and cleaning up
For containment	: Contain and/or absorb spill, then place in a suitable container.
Methods for cleaning up	: Thoroughly wash the area with water after a spill or leak.
6.3. Reference to other se	ections
See section 8 for further information	tion on protective clothing and equipment and section 13 for advice on waste disposal.
SECTION 7: Handling an	d storage
7.1. Precautions for safe	
Precautions for safe handling	: Avoid prolonged contact with skin and eyes. Do not swallow. Handle and open container with care.
r recautions for sale handling	
Hygiene measures	: General hygiene is normally adequate.
7.2. Conditions for safe s	torage, including any incompatibilities
Storage conditions	: Keep out of the reach of children. Keep container tightly closed. Store at room temperature.
7.3. Specific end use(s)	
Not available.	
SECTION 8: Exposure co	ontrols/personal protection
8.1. Control parameters	
Surfactant (Proprietary)	
ACGIH	Not applicable
OSHA	Not applicable
8.2. Exposure controls	
Appropriate engineering controls	s : No special precautions.
Hand protection	: None necessary under normal conditions of use.
Eye protection	: None necessary under normal conditions of use.
Skin and body protection	: None necessary under normal conditions of use.
Respiratory protection	: None necessary under normal conditions of use.
Environmental exposure control	s : Maintain levels below Community environmental protection thresholds.
Other information	: Handle according to established industrial hygiene and safety practices.

Safety Data Sheet according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012 WHMIS 2015

<b>SECTION 9: Physical and chemical</b>	l properties
9.1. Information on basic physical and	
Physical state	: Liquid
Appearance	: Clear
Colour	: As Water
Odour	: No data available
Odour threshold	: Slight, detergent
рН	: 8-9
Melting point	: No data available
Freezing point	: No data available
Boiling point	: No data available
Flash point	: No data available
Relative evaporation rate (butylacetate=1)	: No data available
Flammability (solid, gas)	: Not flammable
Explosive limits	: No data available
Explosive properties	: No data available
Oxidising properties	: No data available
Vapour pressure	: No data available
Relative density	: 1.03
Relative vapour density at 20 °C	: No data available
Solubility	: Soluble
Partition coefficient: n-octanol/water	: No data available
Log Kow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity	: No data available
9.2. Other information	
No additional information available.	
<b>SECTION 10: Stability and reactivit</b>	t <b>y</b>
10.1. Reactivity	

10.1.	Reactivity
No dang	gerous reaction known under conditions of normal use.
10.2.	Chemical stability
Stable u	inder normal storage conditions.
10.3.	Possibility of hazardous reactions
No dang	gerous reaction known under conditions of normal use.
10.4.	Conditions to avoid
Incompa	atible materials. Do not mix with other chemicals.
10.5.	Incompatible materials
Strong of	oxidizers. Acids.
10.6.	Hazardous decomposition products
May inc	lude, and are not limited to: oxides of carbon.
SECT	ION 11: Toxicological information

SECTION 11: Toxicological infor	nation	
11.1. Information on toxicological ef	cts	
Acute toxicity	: Not classified.	
Surfactant (Proprietary)		
LD50 oral rat	> 2000 mg/kg	

#### Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012 WHMIS 2015

Skin corrosion/irritation	: Based on available data, the classification criteria are not met.
Serious eye damage/irritation	: Based on available data, the classification criteria are not met.
Respiratory or skin sensitisation	: Based on available data, the classification criteria are not met.
Germ cell mutagenicity	: Based on available data, the classification criteria are not met.
Carcinogenicity	: Based on available data, the classification criteria are not met.
Reproductive toxicity	: Based on available data, the classification criteria are not met.
Specific target organ toxicity (single exposure)	: Based on available data, the classification criteria are not met.
Specific target organ toxicity (repeated exposure)	: Based on available data, the classification criteria are not met.
Aspiration hazard	: Based on available data, the classification criteria are not met.
Symptoms/injuries after inhalation	: May cause temporary rritation.
Symptoms/injuries after skin contact	: May cause temporary irritation. Symptoms may include redness, drying, defatting
	and cracking of the skin.
Symptoms/injuries after eye contact	<ul> <li>May cause temporary irritation. Symptoms may include discomfort or pain, excess blinking and tear production, with possible redness and swelling.</li> </ul>
Symptoms/injuries after ingestion	: May cause temporary stomach distress, nausea or vomiting.

<b>SECTION 12: Ecological information</b>	n
12.1. Toxicity	
Ecology - general	: No known significant effects or critical hazards.

2.2. Persistence and degradability	
Benefect Quantum Chemical Residue Remov	~
Persistence and degradability	Biodegradable.
2.3. Bioaccumulative potential	
Benefect Quantum Chemical Residue Remove	)r
Bioaccumulative potential	Not established.
2.4. Mobility in soil	
No additional information available.	
2.5. Other adverse effects	
Effect on the global warming	: No known ecological damage caused by this product.
SECTION 13: Disposal considerations	3
3.1. Waste treatment methods	
Vaste disposal recommendations	This material must be disposed of in accordance with all local, state, provincial, and federal regulations. Recycle empty containers where allowed.
SECTION 14: Transport information	
Department of Transportation (DOT)	
n accordance with DOT	
Not regulated for transport	
Additional information	

Special transport precautions

: Do not handle until all safety precautions have been read and understood.

#### SECTION 15: Regulatory information 15.1. US Federal regulations All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances

Control Act (TSCA) inventory.

15.2. US State regulations	
Benefect Quantum Chemical Residue Remover	
State or local regulations	This product does not contain a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

Safety Data Sheet according to the Hazard Communication Standard (CFR29 1910.1200HazCom 2012 WHMIS 2015

SECTION 16: Other inform	ation	
Date of issue	: 04/23/2020	
Other information	: None.
