CONSTRUCTION GUIDE

WORK GLOVES FOR SAFETY AND COMFORT

DEXTERITY®

#S13FRNE | 5-11

- 13-gauge knit shell increases dexterity and hand movement
- Flame-resistant neoprene palm coating provides excellent wet and dry grip
- Arc flash testing placed these gloves at Level 2, with an Arc Thermal Performance Value (ATPV) of 11 cal/cm²
- ESD (electrostatic dissipating) carbon filament to impart anti-static properties
- Treated with Ultra-Fresh to achieve 99.9% antimicrobial status

TENACTIV™

#S18TAGFN | 5-12

- 18-gauge composite filament-fiber knit glove
- Foam nitrile coating provides good grip for lightly oiled parts
- Specifically designed for electrostatic dissipative (ESD) properties when working with micro-electronic work
- Treated with Ultra-Fresh to achieve 99.9% antimicrobial status
- Touchscreen compatible

TENACTIV™

#S18TAGNT | 5-11

- The ZedCoat™ palm coating on these gloves provide excellent protection against abrasion hazards and offers amazing dry-tacky grip
- 18-gauge lint-free composite filament-fiber
- Treated with Ultra-Fresh to achieve 99.9% antimicrobial status
- Silicone-free
- Touchscreen compatible

TENACTIV™

#S21TAXFN | 5-12

- TenActiv™ wire-core composite filament fiber blend provides 360° cut protection
- High-strength fibers are kept away from skin to increase both comfort and useful life
- Hand-conforming 21-gauge knit provides a bare handed feel and unbeatable dexterity
- Foam nitrile palm coating keeps grip secure when handling lightly oiled parts
- Touchscreen compatible

TENACTIV™

#STACXPVRT | 5-12

- Offering excellent cut resistance paired with puncture and abrasion protection, these gloves provide protection from multiple angles
- TenActiv™ / HPPE / steel / composite filament-fiber blend
- Micropore nitrile coating provides excellent grip by displacing oil on slippery surfaces
- Nitrile thumb crotch reinforcement

TENACTIV™

#STACXPURT | 5-12

- TenActiv™ / HPPE/steel/composite filament-fiber blend
- Polyurethane palm coating provides great grip and excellent tactile feel
- Reinforced nitrile coating thumb crotch

TENACTIV™

#STAGXPU | 5-12

- 13-gauge blend of steel, HPPE, composite filament-fiber
- Polyurethane palm coating provides great grip and excellent tactile feel

DEXTERITY®

#S15NAPN | S-2XL

- Fine-gauge nylon knit is soft, flexible and hard-wearing
- Micropore nitrile palm coating does not absorb oils and liquids so hands stay dry
- Craters act like tiny suction cups to improve grip in wet and oily conditions
- Outstanding abrasion resistance

TENACTIV™

#S18TAXFN | 6-12

- TenActiv™/HPPE/wire-core/composite filament fiber blend provides excellent cut protection
- High-strength fiber is incorporated in a way that it cannot come through to the hand for total comfort and extended glove life
- Hand conforming 18-gauge knit for bare hand feel
- Foam nitrile palm coating provides good grip for lightly oiled parts
- Hi-viz color keeps wearer alert to hand placement
- Touchscreen compatible

TENACTIV™

#S18TAGGFN | 5-11

- Made with high-strength TenActiv™ yarn for impressive cut resistance
- Foam nitrile palm coating increases grip in wet and oily conditions
- Silicone and lint-free
- Hi-viz green shell for better worker visibility
- Touchscreen compatible
- Specifically designed for electrostatic dissipative (EDS) properties when working with micro-electric work

TENACTIV™

#STAGPNVPI | 6-12

- These cut-resistant, vibration-dampening gloves are made with micropore nitrile grip, ensuring hands stay dry
- Made with TenActiv™ composite filament-fiber yarn that is stronger than steel on an equal-weight basis
- Neoprene padding on palms and index fingers for excellent vibration dampening
- Micropore nitrile coating does not absorb oils or liquids so hands stay dry
- Craters act like tiny suction cups to improve grip in wet and oily conditions

TENACTIV™

#S18WTFN | 8-12

- Featuring a Water-Tite membrane, these gloves seal water out
- 18-gauge blended HPPE
- Foam nitrile palm coating acts like a sponge to absorb liquids providing excellent grip in wet or light oil applications
- Winter version available (S18WTLFN)

CHEMSTOP™

#F236 | ONE SIZE (XL)

- These double-dipped PVC gloves offer a CFIA approval, making them safe for food handling
- 14" premium quality double-dipped PVC offers good abrasion resistance
- Absorbent fleece jersey liner for comfort
- Anti-bacterial treatment for better odor protection

ENDURA®

#370GFKL | M-2XL

- Featuring cut and heat protection, these goatskin gloves keep you well-covered
- Goatskin stays durable and tough, while still maintaining its high tensile strength
- Hand portion of gloves is lined with cut-and-sewn fine-gauge DuPont™ Kevlar® fiber interlock knit
- Fully DuPont™ Kevlar® fiber sewn throughout for heat resistance and seam integrity
- Wide-fitting split-cowgrain gauntlet cuffs

ENDURA®

#505BU | ONE SIZE (L)

- These flame-resistant split-cowhide gloves come in a continuous one-piece back
- Select split-cowhide for comfortable yet rugged service
- Full semi-sock thermal-knit cotton lining for comfort and added heat protection
- Flame resistant properties, gloves will not burn, drip or melt
- Leather welting in all vulnerable seams and DuPont™ Kevlar® fiber stitching throughout

TENACTIV™

#STAFGFNVB | 6-12

- 13-gauge TenActiv™ yarn provides excellent cut protection while feeling cool and comfortable against your skin
- Foam nitrile coating provides good grip for lightly oiled parts

TENACTIV™

#STAGBLPVB | S-3XL

- ErgoHyde is an industry first in Thermoforming the palm into an ergonomic 3D hand shape, providing unparalleled all day comfort, and outstanding dexterity
- Cowhide leather palm provides excellent abrasion resistance
- Oilbloc™ treated palm repels oil and water for 50% better wet and dry grip than competitive styles

ENDURA®

#378GKGVB | XS-3XL

- This glove provides Level 3 arc flash protection, with an Arc Thermal Performance Value (ATPV) of 33 cal/cm²
- High tensile strength goatskin provides outstanding abrasion resistance
- Treated with Oilbloc™ for oil and water repellency
- Gel-padded palms for vibration dampening
- Also available in winter version (#378KGTVB), winter version does not include arc flash protection

ENDURA®

#375KGVB | S-2XL

- Featuring DuPont™ Kevlar® fiber and composite filament-fiber lining, this glove is sure to please
- High tensile strength goatskin provides outstanding abrasion resistance
- Treated with Oilbloc™ for oil and water repellency
- Also available in a winter version (#375KGTVB)

ENDURA®

#378GKGVBE | XS-3XL

- High tensile strength goatskin provides outstanding abrasion resistance
- Excellent cut resistance thanks to blended DuPont™ Kevlar® fiber/composite filament-fiber lining
- Gel-padded palms for vibration dampening
- Also available in winter version (#378KGTVBE)

ENDURA®

#378GKGE | S-3XL

- High tensile strength goatskin provides outstanding abrasion resistance
- Blended DuPont™ Kevlar® fiber/composite filament-fiber lining
- Arc flash testing placed these gloves at Level 3, with an Arc Thermal Performance Value (ATPV) of 36 cal/cm²
- Also available in winter version (#378GKGTL)

ENDURA®

#378GOBKL | S-3XL

- High tensile strength goatskin provides outstanding abrasion resistance
- Treated with Oilbloc™ for oil and water resistance
- Cut-resistant DuPont™ Kevlar® fiber lining
- Arc flash testing placed these gloves at Level 4, with an Arc Thermal Performance Value (ATPV) of 41 cal/cm²
- Also available in winter version (#378GOBTKL)

ENDURA®

#365DLX6KG | S-XL

- Made with select heavyweight 3½ oz. cowgrain leather
- Excellent water, oil, and stain-repellent properties
- Performance thumb/palm patch
- Gauntlet cuffs include two 3M™ retroreflective silver strips that are each flanked by hi-viz bands for ultimate visibility
- Inner DuPont™ Kevlar® fiber lining provides ANSI level A4 cut protection and ANSI level 5 puncture resistance
- Also available in winter version (#365DLXTKG)

ENDURA®

#378GOT | S-3XL

- High tensile-strength goatskin provides outstanding abrasion resistance
- Keystone thumb for better durability and comfort
- Hi-viz orange fingertips elevate the level of safety
- Also available in a winter version (#378GOTTLL)

ENDIURA®

#378GAHVB | S-3XL

- Tough goatskin leather palms for excellent abrasion resistance
- Enhanced with 3M™ Scotchlite™ retro-reflective stripes for increased visibility on the job
- Gunn-cut styling includes full leather thumbs and forefingers
- Also available in a winter version (#378GHVTL)

CLUTCH GEAR®

#MXGKGHV | S-3XL

- Goat-grain palms provide amazing abrasion resistance and added durability
- Leather wraps around finger tips to eliminate seam placement in traditional wear areas for increased lifespan
- DuPont™ Kevlar® fiber and composite filament fiber lining for 2412 grams (ANSI level A5) of cut protection
- Wide elastic wrists with hook and loop closure tabs at the back means you can adjust these gloves for a snug, comfortable fit that keeps debris out
- Also available in winter version (#MXGKGHVTL)

CONTENDER®

#KAWC10 | ONE SIZE

- Double-layer para-aramid cut-resistant and heat-resistant tubular knit sleeves
- Flame resistant properties, sleeve will not burn, drip or melt
- Available with thumbhole (KAWC10TH)

TENACTIV™

#KTAG1T18 | S-2XL

- Elasticized STAYz-UP™ armbands hold sleeves in place for full arm coverage
- Sleeves stay cool for all-day comfort
- Available with thumbhole (#KTAG1T18T)

TENACTIV™

#S18TAFG | 5-11

- TenActiv™ gloves feature lint-free, continuous filament yarn that is stronger than steel on an equal-weight basis
- Fine-gauge ANSI cut-level 4 protection, truly unparalleled cut resistance in a glove so dexterous and with such high tactile sensitivity
- High-strength fiber is incorporated in a way that it cannot come through to the hand for total comfort and extended glove life
- Silicone-free

KEEPKLEEN®

#RD8NPF | S-2XL

- 8 mil, powder-free nitrile
- Nitrile provides better puncture and tear resistance
- Silicone-free
- Not for medical use

SUPERA™

#SXNMCM12 | M-XL

- Waterproof and breathable membrane to prevent water soak-through and improved comfort
- Coolmax™ liner wicks moisture away quickly to help keep feet dry
- Seamless knit to improve comfort and reduce stress from seamlines
- Nylon stretch outer shell for improved stretch and comfort
- Determination of resistance to water penetration-hydro static pressure test CAN/CGSB-4.2, No. 26.3-2010/ISO 811:1981

SUPERIOR®

#GLV-BLT-CLIP | ONE SIZE

Gloves that are out of reach are gloves that don't get worn – make sure hand protection is never more than an arm's length away with our Superior glove clip.

- Designed for ease of use and weightless feel, the glove clips fasten easily to any belt loop
- Built-in magnetic breakaway for a safe, easy release in case of snags or catches
